Summer Play Program Almost Assured For Niles School Children

A whole summer of supervised play and recreation for Niles school children!

To a small band of sometimes discouraged and often pessimistic Niles P.T.A. members, the above announcement almost seems to border on the miraculous.

But it's no miracle. It simply came about because the Niles P.T.A., determined that their children should not be roaming the streets aimlessly during the summer, set about in a methodical way to do something about the situation.

So this week, from the Niles school board, comes the above announcement. It means that Niles children of grammar school age will, this summer, have two full months of play and recreation activities outlined for them.

BALL TEAMS

There will be organized ball teams; there will be swimming trips; there will be picnics and nature study trips; there will be handicraft classes, and art classes, and, perhaps, sewing classes for the girls, and model-building classes for the boys. There will be everything, in fact, to keep the boys and girls interested and happy, and—off the streets.

Though the names of the recreation supervisors have not been announced, it is considered a certainty by the members of the school board that somewhere can be found just the proper person, or persons, to supervise such a summer program as has been outlined.

DISTRICT TO PAY

The salary of such persons, trained in recreation supervising, runs around $250 a month. This money is available from school district funds. The program, as tentatively set, will run from July 15 to the opening of school.

The summer recreation program, the project of the P.T.A. for this year, seemed at first doomed to failure because of the money expenditures involved. The aid of the school board was finally enlisted. The board seemed favorable to the idea but wanted to move cautiously to make sure that such a program was actually needed and wanted by Niles parents.

SURVEY FAVORABLE

Therefore a survey was made, and has just been completed. The survey showed that Niles parents are overwhelmingly in favor of the project. To what extent, however, that the parents will support such a program, remains a mystery. It can only be successful if parents make a sustained effort to see to it that their children attend regularly. Without regular attendance, the program would go down in defeat, because it would not be worthwhile to pay such a salary if only a few children attend.

Judging from the interesting activities outlined for the children, it would be safe to say, however, that the parents will have a hard time keeping them away!

STADIUM LIGHTING PLAN IS BACKED BY LOCAL CLUBS

Proposed plans for the lighting of the football field at Washington Union High School gained increased enthusiasm throughout the township during the week with the majority of organizations expressing their approval and intertions to assist financially in backing the movement.

At the present time Washington is one of the three schools in the nine-school league that does not have a lighted field for night games. It has been pointed out that the majority of business men of the township are anxious to see the local gridsters in action but are unable to attend the afternoon games. It is expected that game attendance would more than double if the schedule can be shifted to the evening hours.

The board of trustees of the school has conducted an extensive study of the various types of lighting and have arrived at the conclusion that the most practical type would include buried wires and covered reflectors. The cost of the proposed project has been set at approximately $11,000.

The Niles Rotary Club early this week appointed a committee to organize a campaign to raise funds for the project. Named to serve were Warren Gravestock, John Berchem and Dr. T. C. Wilson.

The committee has reported that the Centerville Lions Club, the Centerville Chamber of Commerce and the Niles Junior Chamber of Commerce have each expressed their endorsement of the proposal and desire to aid in the campaign in a financial way.

Although no definite plan for raising $11,000 has been established, a proposal now under consideration is the sale of non-interest bearing script of various denominations. The committee has expressed hope that the money can be raised and the lights installed this summer to permit the playing of next fall's schedule in the evenings.

CENTERVILLE C. C. TO ELECT OFFICERS

New officers for the Centerville Chamber of Commerce will be elected and installed at the meeting to be held on Thursday, March 20.

The nominating committee has announced that their selections for 1947 are as follows: Charles Wauhab, president; Fred Rogers, vice-president; Walter Lobato, recording secretary; Erle Hygelund treasurer; L. L. Cardoza, financial secretary, and Allen Walton, M. W. Lewis, A. E. Alameda and William Bauhofer, commissioners.

Rogers and Hygelund were nominated for reelection to offices they now hold. Retiring president is Loren Marriott.

ROSALIE ROGERS IS BEST SPEAKER

Rosalie Rogers of Irvington proved herself the best of Washington Union High School student speakers when she competed in the Centerville Lions Club Student Speakers Contest last Tuesday evening.

Miss Rogers won over Joan Berney of Centerville and Louis Milani of Newark.

Subject on which the speeches were based was: "Can Youth by Local Leadership Strengthen the Responsibilities of Local Government?"

On Wednesday Miss Rogers competed in Hayward for the district title of the Lions Club. She took third place among four contestants.

TOWNSHIP MOURNS SUDDEN DEATH OF CELESTE BUNKER

A requiem mass for Elizabeth Celeste Bunker, a teacher in the Niles and Alvarado schools for 40 years, was held at Corpus Christi Church, Niles, Wednesday, March 12. Miss Bunker succumbed in an Oakland hospital Monday, March 10, following a short illness.

Recognized as one of the outstanding elementary school teachers in Alameda county, her many years of successful teaching had endeared her to her pupils and the parents of Washington Township.

At the close of the school term in 1946 Miss Bunker tendered her resignation to the Board of Trustees of Niles School District and as a tribute to her career the trustees and entire personnel of the school honored her with a dinner party.

In addition to her teaching, Miss Bunker always took an active part in the civic and social life of the community and township and was a member of the Guadalupe Institute, Y.L.I.

The Niles school was closed throughout the day Wednesday in tribute.

Miss Bunker, who was born in Michigan Bluff, Calif., was the sister of Mrs. Agnes Nihill, James Bunker and Frances R. Bunker, all of Oakland.

A rosary service was held at the parlors of the Berge Mortuary Company in Niles at 8 p.m. Tuesday.

Interment was at Holy Sepulchre Cemetery, Hayward.

3-WAY CONTEST IN TRUSTEE ELECTION

A three-way contest for the May 16 election of two members to the board of trustees of Washington Union High School was assured this week when Manuel J. Bernardo, Centerville, filed his intentions of being a candidate.

The terms of H. F. Harrold, president of the board, and S. G. Scott expire on July 1 and both men have expressed their intention of being candidates for reelection.

Harrold, an engineer with the Southern Pacific Company and a resident of Decoto, has been a member of the board of trustees of the school since 1931. Scott, who lives in Newark and is a chemist with the Morton Salt Company, became a board member in 1945.

Bernardo, latest candidate to file for election to one of the posts, is a township agriculturist and a member of the Alameda Water Commission.

PIONEER RESIDENT DIES AT HER HOME

Mrs. Mary Ann Domenici, a pioneer resident of Niles, died at her home at 642 Second street, Tuesday, March 11, following an illness of several months.

Mrs. Domenici, a native of Summerville, New Jersey, had been a resident of Niles more than 65 years. Together with her husband, the late Emanuel Domenici, the couple played an active part in the growth of the community. She had retired in recent years from active membership in many of the township organizations and for the past two months ill health had kept her bedfast.

She is survived by a daughter, Zelmera Domenici, Niles; a son, Herbert, Seattle; and a granddaughter, Dorothy Domenici, of Niles.

Rosary services were held at the parlors of the Berge Mortuary Company, Niles, Thursday evening.

Funeral services will be conducted from the funeral parlors at 9 a.m. today (Friday) followed by a requiem mass at Corpus Christi Church, Niles.

Interment will be at St. Joseph's Cemetery, Mission San Jose.

SKATING PARTY TONIGHT

The student body of the Niles elementary school is sponsoring a skating party, to be held this Friday night at the Garden of Allah rink, between 7 and 10 p.m. The eighth grade students have charge of ticket sales.

NAME SPELLING BEE MODERATOR

Just 11 more days until the Township Register Spelling Bee and some elementary school student will win the title of Washington Township's champion speller.

Instructors in the eight elementary schools in the township were busy during the week conducting preliminary contests to determine each school's three best spellers, who will be eligible to compete in the big final contest to be held in the auditorium of Washington Union High School the evening of March 25.

The names of the school champions who will compete in the final event will be announced in next week's Register.

E. Dixon Bristow, chairman of the principals' committee in charge of the contest, reported this week that James L. Bunker, administrative assistant in the office of the Alameda County Superintendent of Schools, has consented to act as moderator of the final contest. Mr. Bunker has in former years served as principal at the Newark and Niles schools and has taken a great interest in the coming event.

Chairman Bristow is also working on arrangements for a short musical program to precede the spelling contest which will round out a full evening of sparkling entertainment for spectators.

Mark the date on your calendar now and plan to attend the Township Register Spelling Bee at the high school auditorium the evening of March 25.

For those students who have lost the list of 100 words which were published in The Register for use in the spelling bee, we are running the list again this week. It will be found on page 2.

SESQUI QUEEN RACE TO OPEN MONDAY

The contest for the title of Sesqui Queen promises to be a real match. Many of the beautiful girls of the township are bidding for the honors, according to Edw. L. Rose, chairman of the queen contest.

Rose revealed yesterday that a number of entries have already been received, and stated that many more are expected over the week-end. He urged every girl wishing to vie for the title to either call him or The Register office as soon as possible. Any girl 16 years of age or older is eligible to enter the contest, which is slated to open Monday, March 17.

Until April 14 the contest will be staged locally in each community and the girl gathering the most votes in each town will then advance to the final phase of competition. The contest will close May 19.

Contestants will earn votes by selling tickets to the grand ball to be held during the Mission San Jose Sesquicentennial celebration.

Contestants now entered are:

Mission San Jose: Charlotta Untiedt, Virginia Lawrence and Rose Mary Telles.

Newark: Mary Goularte.

Irvington: Phyllis Day and Bernadette Leal.

Warm Springs. Paula Galvan.

Decoto: Mamie Joyce Lynch.

In addition to reigning over the festivals at the Mission the Queen will also be awarded a free trip to Hollywood with all expenses paid by the Center Theater, Centerville.

It's not too late to register for the contest. Phone or write in your intentions to compete today.

In addition to the troop award individual prizes were received by Lupe Vargas and Phillip Ayala, both No. 1 Troop members, for their individual ticket sales.

HIGHWAY ACCIDENT CLAIMS LIFE OF MRS. LLOYD BARKS

Mrs. Vonia Barks, 42, Joyland Park, Niles, died of injuries, and her husband, Lloyd Barks, is in an Alameda hospital suffering from multiple injuries as the result of an automobile accident on Niles Canyon Road last Saturday.

The accident occurred two miles east of Niles at 5:45 p.m. when the 1941 Buick driven by Barks and occupied by him and his wife, crashed head-on with a truck driven by Benjamin Mozzetti, Irvington.

Mr. and Mrs. Barks were rushed to Fairmont Hospital in the Dallas Paul ambulance where Mrs. Barks was pronounced dead upon arrival. Barks was given emergency treatment and taken on to an Alameda hospital where he was found to be suffering from a fractured hip, multiple lacerations and possible internal injuries. His condition is reported to be improved but still regarded as serious. Mozzetti and a passenger in the truck were not injured.

The state highway patrol office in Hayward revealed yesterday that a charge of manslaughter has been filed against Barks but no action will be taken until his condition improves.

Funeral services for Mrs. Barks were conducted from the parlors of the Chapel of the Palms, Centerville, yesterday, at 10:30 a.m., followed by an 11 o'clock service at the Nazarene Church, Niles. Interment was at Oak Hill Cemetery, San Jose.

Mrs. Barks was a native of Alluee, Oklahoma, and in addition to her husband is survived by her mother, Mrs. Lana Meeker, and a daughter, Mona Jean Hart of Michigan.

DOG-KILLING CASE SETTLED BY COURT

After hearing testimony in Niles Justice Court for more than 4 hours in the damage suit brought by Floyd McCown, Niles, against Dr. F. Donald Gomes, also of Niles, Judge E. A. Quaresma announced late yesterday that he had found for the defendant.

McCown charged that Dr. Gomes, a neighbor in the Canyon Heights tract, maliciously and without cause, shot and killed a dog belonging to 9-year-old Billy McCown and had asked for $300 damages.

Dr. Gomes contended that he had shot the dog in defense of a cow which he maintained the dog was annoying. The shooting took place on the morning of January 19, when the McCowns were away from home. A number of residents of Canyon Heights were summoned to court Tuesday as witnesses in the case.

The most startling testimony revealed at the trial was to the effect that "Jeep," the victim, previously referred to throughout the case as "he," was in reality a "she." During the remainder of the trial the attorney for the plaintiff and counsel for the defendant agreed to refer to the deceased canine as "it."

SERVICES HELD FOR LOUIS ZWISSIG

Louis Zwissiz, 54, Decoto, prominent Southern Alameda County dairyman, succumbed in a San Francisco hospital, Thursday, March 6, following a short illness.

Zwissig was born in San Francisco but had made his home in Decoto for more than 30 years. He was a member of the Native Sons of the Golden West, Centerville, and had served as a fire commissioner of the Decoto Fire District since 1931. He also had served as assistant chief of the district but resigned the position in 1929.

A rosary service was held at the parlors of the Berge Mortuary Company, Niles, Sunday evening.

Services were conducted from the funeral parlor at 9:30 a.m. Monday, followed by a requiem mass at Corpus Christi Church, Niles.

Interment was at Holy Sepulchre Cemetery, Hayward.

He is survived by his widow, Marion; three brothers, Carl, Decoto; Joseph, Hayward; and Frank of Burlingame; three sisters, Mrs. Pauline Levand, Tracy; Mrs. Marie Calhoun, San Fracisco; and Mrs. Ina Gwerder, Twain Harte.

Mission Pageant Promises To Be Spectacular; Cast Of 100 to Rehearse Soon

More than 100 people were present and enthusiasm ran high at last Wednesday night's meeting of the Mission Sesquicentennial committee.

Highlight of the meeting was the reading of part of the pageant by John Sandovol of Hayward, who authored the script... The concensus of those present was: "It's good! It's splendid! We'll have to give it more than two nights!" And indeed, judging from the interest it evoked, the pageant will have to be given more than just twice.

That no stone will be left unturned to make the performance of the pageant a finished production was evidenced by the announcement that a University of California man, Edward Glass, has been engaged to direct it. In addition, the 60 lead roles will be played by members of the Hayward Little Theater group, all of them experienced performers in pageants. The remainder of the cast, numbering 40, will be drawn from the student body of Washington Union High School. It is hoped, also, that the high school will furnish the music.

Rehearsals for the pageant will comprise a period of six weeks, four nights a week.

Also present at Wednesday night's meeting for the first time were the two managers, Robert McIvor and Marney Gould of Oakland and San Francisco. These men, on a salary, have been hired to put the Sesquicentennial over.

The overall picture of the Mission Sesquicentennial looks good. It looks better than good. It has every indication of being a smash hit, and the township is likely to see swarms of tourists here over the three days, May 30-31 and June 1.

INCREASE WORKERS AT STOVE PLANT

The Occidental Stove Company's manufacturing plant at Irvington is gradually getting back into the production of kitchen ranges, according to Harry Jones, plant superintendent.

Jones pointed out that it is a big task installing all the machinery which was removed from the plant when it was taken over by the Navy during the war.

A total of 24 men are employed at the plant at the present time, working in the steel cutting and stamping and the enamel portion of the plant. Jones stated this week that as these sections of the plant can produce an adequate supply of parts other sections will be opened and full-scale production attained.

The office staff is expected to begin work next Monday with the majority of the workers being transferred here from the Los Angeles plant.

NILES SANITARY DISTRICT CALLS BOND ELECTION

A resolution calling for a special election on the proposition of the issuance of $100,000 in bonds was adopted by the members of the Board of Trustees of the Niles Sanitary District at their meeting held Monday evening, March 10.

The proposition to be presented to the voters on April 8 will be whether or not the sanitary district should issue the bonds for the purpose of raising money for the acquisition and construction of sewer pipelines, lift station, pumping plant, together with land, easements and rights of way in the territory recently annexed to the district.

According to the resolution, both the principal and interest of the proposed bonds will be payable from taxes limited to the taxable property in the annexed territory.

Leon Clark, Oakland, attorney for the sanitary district, attended the meeting and assisted in drawing up the resolution as adopted by board members J. J. Alberg, George Burr, E. E. Dias, T. H. Elliott and H. L. Scott.

The newly annexed territory is bounded by the Decoto-Niles highway, Gregory avenue and the Great Western Railroad tracks and is located northwest of Niles.

The garage at the home of Emily H. Enos has been selected as the polling place and will remain open from 7 a.m. until 7 p.m. on Tuesday, April 8. Election officers will be: Dolores George, inspector, and Katherine McDonald and Emily H. Enos, judges.

The bonds proposed to be issued and sold will be of $1,000 denomination and will bear interest at the rate of not more than 5 per cent per annum, interest payable semi-annually.

MISSION SAN JOSE OPENS NEW TRACT

It was revealed this week that the Hayward real estate firm of Fred Cox and Herbert Way has purchased the prune orchard of Mrs. Sara Boggini in Mission San Jose.

The property is located on Vallejo street between Mission grammar school and Pine street and consists of 48 lots. It has been announced that the orchard would be broken up into small plots of about four lots each to allow a new home-site tract.

Present plans are to sell the lots both for residential and business house sites and affords a large area for expansion of the community in the future.

Returning from his home in Shannon, Georgia, after an eight months' absence from California, and especially from Mission San Jose, George M. Romance is in the air after three years of waiting for the young couple. There are no immediate announcements available but don't worry, folks, they are coming out in the very near future. So keep your shirts on. Your correspondent will keep you informed. Miss Rosemary is the very competent and attractive clerk at the Mission post office and Mr. Tucker is late of Uncle Sam's Navy.

WEEK-END IN SNOW

A snowing we will go, so off they went, six little ladies in a bob sled—no I forgot, it was a Chevrolet — anyway it is fun to make-believe. But this is the real story. Friday, with reservations ahead, Miss Velma Telles and Rosalyn Garcia of the Mission accompanied by Miss Laura Garcia and Miss Verna Dalton of Sunnyvale and Miss Shirley Kraft of Irvington and Elva Martinez of Niles, motored to Yosemite to enjoy the wonders of a Winter Wonderland. And that was just what it was to the gals from near the ocean. On Saturday evening they enjoyed dancing at the lovely hotel and when they returned home to their little cabin Mr. Bruin was sniffing around the door. They are supposed to be hibernating right now but the rangers said this one isn't normal like a regular bear. Of course he ran away, but he was there. They went to Badger Pass on Sunday and enjoyed the skii tournament with such colleges as California, Oregon State and others participating. They returned late Sunday and all declare it was perfect and want to go again soon.

TAKE FISHING TRIP

Once a week is Mother's Day, according to Leslie Callahan, for he makes a practice of taking Mother Callahan somewhere one day a week to show her a good time, so Sunday morning they left for Pascadero and Pigeon Point to do some fishing. NEWS OF FORMER RESIDENTS

It is always a pleasure when friends and old acquaintances let us hear from them once in a while and tell us of their families.

Friends and former neighbors of Cassie Witherly who spent many years here in the Mission and reared her family will be glad to hear just a little concerning Cassie and her family. Daughter Helen Ruskofsky and Art, her husband and son Jimmy, are now living in Newark. June, another daughter, lives in San Francisco near her mother, while T. D. (Dexter) Witherly is now the owner of a plane and has a very nice electrical business at Guerneville on the Russian River, and is much like his father, the late Ned Witherly, who with his brother Floyd Witherly, some twenty-five years ago owned and operated an electrical business in the location of the Haynes Cleaning establishment in Irvington. (Here's a little inside info--he may come by plane to the Sesquicentennial in June as all of them are surely getting hep about the celebration.)

Cassie herself is relief nurse for a rich lady at the Richlieu Hotel in San Francisco at present, and son Richard is still in Manila, has made S. Staff Sergeant rating and has re-enlisted for another term in the U. S. Army, the reason being (this is a secret) there is a girl (civil srvice worker) in whom he is interested. He is also the owner of one jeep. Mrs. Witherly, Miss Claire Witherly and Mrs. Bess McKittrich are planning a plane trip if possible about September to Manila to visit Richard and someone else, we hear.

THREE LOCAL MEN NAMED TO SERVE AS CENTRAL BANK ADVISORY BOARD

President Frank N. Belgrano Jr. of the Central Bank has announced the appointment of an advisory board of citizens to counsel with the Southern Alameda County branches of the bank, located at Alvarado, Niles and Irvington. The board will consist of Henry H. Patterson, chairman, J. R. Blacow and Judge Edward A. Quaresma.

Chairman Patterson is a lifelong citizen of the area with a broad background of banking experience. For many years he was on the board of directors of the old Bank of Alameda County and when it was taken over by Central Bank in 1938 continued on the board of directors of the parent institution.

Jack Blacow, who was vice-president of the Bank of Alameda County at the time of the merger, continued as manager of the Alvarado branch of Central Bank until retirement August 1, 1944.

Judge Quaresma, before establishing himself as a practicing attorney in Niles, was deputy district attorney for San Luis Obispo county. During World War II he served as a member of the Board of Economic Warfare, with headquarters in Rio de Janeiro, Brazil. He is a graduate of Santa Clara University and a past president of the I.D.E.S. Lodge of California.

The advisory board will meet monthly to consult with Robert A. Blacow, F. William Katzer and Carl Christensen of Central Bank's branches at Niles, Alvarado and Irvington.

HUSKIE NINE BOWS TO SAN JOSE 6-5

The Washington Huskies, playing the Lincoln Lions on the San Jose diamond Tuesday, staged a 4-run seventh inning rally which fell one short of tying the score and ended in a 6-5 defeat for the locals.

Irv Alameda and Jiro Nakamura shared the mound duties for the Huskies, allowing the Lions but seven hits. Meanwhile Mel Alameda, Huskie backstop, was rapping the Lincoln hurler for a total of three for four trips to the plate.

Coach Hird's squad has had some trouble hitting its stride early in the season, handicapped greatly by a soggy diamond at the home kennel, which has limited workouts to an absolute minimum. With seven veterans from last season's team back this year, the boys are expected to be shaped into a team capable of sparkling performance by the time they enter league competition on March 27.

The Huskies will be hosts to the Palo Alto diamond aggregation today in a game slated to begin at 3:15. Tuesday they will again meet competition on the home ground when the Hayward nine comes down for a seven inning encounter.

Double Birthday at Irvington Home

A double birthday celebration was held at the home of Mr. and Mrs. Manuel Guardanapo of Irvington last Saturday night, honoring the birthdays of their sons, Larry, who was 4, and Bobby who was 6.

Two lovely birthday cakes, flanked by decorations carrying out the St. Patrick's theme, proved to be the center of attraction during the evening.

The children were given favors and hats in addition, of course, to the cake and ice cream. The surprise of the party was the wishing-well. Each child pulled a string from the wishing-well and received a gift. The two little birthday-boys were the happy recipients of many delightful presents from those who attended. These included:

Roger Silva, "Butch" Mayer, Dennis Garcia, Beverly and Ronnie Beatty, all of Irvington; Paul and Margaret Silva of Hayward; Janet and Shirley Sousa of San Leandro; Ronnie and Johnnie Wayne Oliveira of Centerville; Gloria and Nita Ann Azevedo of Palo Alto; Bonnie Rae and Linda Garcia of Milpitas.

Among the elders who attended were Mr. and Mrs. Philbert Silva, Mr. and Mrs. Frank Mayer, Mr. and Mres. Manuel Garcia, Mr. and Mrs. William Beatty, Mr. and Mrs. Manuel Silva, Mr. and Mrs. Arnold Sousa, Mr. and Mrs. Claremond Oliveira, Mr. and Mrs. John Azevedo, Mr. and Mrs. Raymond Garcia; and from Newark came the little boys' paternal grandparents, Mr. and Mrs. Joseph Guardanapo, Miss Helen Guardanapo and Al Parish. Mr. and Mrs. Joseph F. Leal, maternal grandparents, of Irvington, were also present.

While the children enjoyed their games some of their elders played cards.

Following the services, a family dinner was held at the Florence Restaurant.

Atherton Book Discussed By Decoto Group

By ETHEL AVILLA

On Wednesday, March 5, the Decoto Discussion Group held its monthly meeting at the home of Mrs. Ethel Avilla. A two-course luncheon was served at noon, after which the study of Gertrude Atherton's latest book, "My San Francisco," was taken up under the leadership of Mrs. Evelyn Joseph. Mrs. Dorothy Roberts, county librarian, and Mrs. Alderson of Oakland, and Miss Olive Hyde of Mission San Jose were guests.

Mrs. Joseph's questions were so designed as to bring out all of the best in the book—the short biographies of the men and women of the past and present who have distinguished San Francisco, the famous bookstores and historic banks; her description of Chinatown, Market Street, Golden Gate Park, and in the last chapter Mrs. Atherton refers to San Francisco as a "City of Destiny" and the "Gateway of the Pacific."

It was the unanimous opinion of all that, though the book is not especially well written, it is still most interesting and informative.

The next meeting will be held at the home of Mrs. Frances Mara in Canyon Heights, April 2. Pearl Buck's newest book, "Pavilion of Women," will be studied at that time. Mrs. Dorothy Musick will be the leader.

Miss Mildred Soares Announced Betrothal

Miss Mildred Soares, daughter of Mr. and Mrs. Joseph Soares, Centerville, on Saturday, March 8, announced her engagement to Norbert J. George, son of Mr. and Mrs. Manuel George, also of Centerville. No definite wedding date has been set at this time.

The couple celebrated their engagement with a dinner at the Balalaika Restaurant in San Francisco on Sunday.

Miss Soares is a member of this year's graduating class of Washington Union High School. George is a rural mail carrier working out of the Newark post office. The couple plan to reside in Centerville following the late summer nuptial ceremonies.

Shower for Sunol Woman

Mrs. William Olivera of Sunol was guest of honor recently at a stork shower at her mother-in-law's home, Mrs. A. Olivera of Niles. Pink and blue miniature diapers filled with candy and a doll bassinet decorated the table, where coffee, cakes and sandwiches were served. Many lovely gifts were received by the mother-to-be.

Those attending were: the guest of honor, Mrs. William Olivera, her mother, Mrs. W. Coelho of Sunol, Mrs. A. Olivera, the mother-in-law, Mrs. Mary George, Mrs. Allene Andrade, Mrs. Mary Bernard, Mrs. Bea Hudgel, Mrs. Lucinda Martin, Mrs. Alvina Pine, Mrs. Elma Olivera, Mrs. Sylvia Rebello, Mrs. Ella Rebello, Mrs. Evanna Olivera, Mrs. Helen Olson, Mrs. Georgino Borge, Mrs. Mary Pine, Mrs. Olive De Salles, Mrs. Carrie Martin, Mrs. Minnie Mesquite, Mrs. Ida Mendonca, Mrs. Lena Olivera, and Miss Mildred Olivera. Those unable to attend sent their gifts.

Luncheon at Bendel Home

"No special occasion for celebration." That was the remark Mrs. Roland Bendel made when telling about the luncheon she gave last Monday at her Niles home.

"Just some old friends getting together to lunch and chat." Those who attended were Mrs. Edna Overacker, Mrs. Emily Martenstein, Mrs. Pearl Dusterberry and Mrs. E. H. Hirsch.

Thomas Bunting Married in San Jose

A quiet wedding, with only members of the family and close friends present, last Friday was solemnized at the Westminister Presbyterian Church in San Jose when Thomas Bunting of Niles, son of Mr. and Mrs. Lawrence Bunting, took as his bride the former Ruth Marie Galloway, daughter of Mr. and Mrs. William James Galloway of San Jose.

The bride, who was given away by her father, had as her attendant May Vinson; while the benedict's brother, B. J. Bunting, acted as best man. A reception in the church parlors followed the ceremony.

Mr. Bunting, who is connected with the Frick Plumbing Company in Niles, served for three and a half years with the Navy. He attended the Niles grammar school and Washington Union High School. His bride attended San Jose schools.

The couple will make their home in Niles.

Second Child Born to Howes

A son, John McDonald Howe, was born in the Alameda Hospital on Thursday. He is the second child of Mr. and Mrs. Francis Howe (Julianne McDonald). They have a 1-year-old daughter, Anne. The baby was named for his maternal grandfather and his paternal uncle.

Rebekahs Visit Redwood City Lodge

Mrs. Maggie Neill, noble grand of Niles Rebekah Lodge, Mrs. Fern Mitte and Mrs. Ivy Cull, accompanied by Mrs. Nellie C. Gartin, president of the Rebekah Assembly, attended a meeting of the Olive Branch Rebekah Lodge of Redwood City, at Redwood City last Tuesday evening.

San Jose Visitor

Mrs. Ruth M. Oliver of San Jose attended the last regular meeting of the Niles Rebekah Lodge. She was a house guest of Mr. and Mrs. W. D. Cull of Niles over the week-end.

Shower Honors Former Resident

Honoring Mrs. Earl Silverthorn (Ellen Power), a baby shower was given last Saturday afternoon by Mrs. W. L. McWhirter at her Centerville home.

Mrs. Silverthorn is visiting her mother, Mrs. Thomas Power, while her husband is in training with the Vancouver Baseball League in Bakersfield. The Silverthorns make their home at Sedro Wooley, Wash.

Mrs. McWhirter, who is noted for her beautiful flower arrangements, was the recipient of many compliments on the lovely arrangement of pink and white snapdragons, which were the focal point of the decorations. The refreshments, comprised of open-faced sandwiches and petit-fours, were also arranged with an eye on eye-appeal.

Those present, who arrived with appropriate gifts for the popular young mother-to-be, included the honoree's mother, Mrs. Thomas Power, Mrs. Jack Rees, Mrs. Duffy Lewis, Mrs. Ed Viera, Mrs. Ralph Goodwin, Mrs. Josephine Morris, Byrdie Morris, Mrs. Grace Jackson, Mrs. Evelyn Coleman of Berkeley, Mrs. Henry Dusterberry, Mrs. Parr, Miss Parr, Mrs. L. At the Hospital

Mrs. Michael Overacker Jr., who underwent an operation at the Alameda Hospital last Thursday, is expected home at the end of this week. Her friends are all wishing her a speedy recovery.

Mrs. R. A. Jolly Is Recuperating

Mrs. R. A. Jolly, Newark, who has been suffering from an attack of bronchitis the past two weeks, is reported greatly improved and is able to be up and around again.

Mrs. LeRoy Broun Hostess in New Home

An innovation in the township was the "coffee" given last Thursday morning by Mrs. LeRoy Broun of Centerville. Mrs. Broun departed from the usual "tea" and invited the guests for coffee, from 10 to 12 in the morning. Almost as formal as the traditional tea, the affair was a welcome change to those who attended. The appointments and floral arrangements were striking in the Brouns' attractive new home.

Mrs. Broun, a comparative newcomer to the township, her husband only recently having become a law partner of Judge Allen G. Norris, invited localites as well as several of her friends from across the bay. The couple formerly lived in Marin county.

Some of those attending were: Mmes. Richard Sparrowe, C. E. Martenstein, Ted Logan, Harvey Granger, Jim Logan, Mila Norris, Joe Adams, E. A. Groves, Clyde Voorhees, Jack MacGregor, Alwyn Searles, Charles Wauhab, George Holeman, Warren Gravestock, Robert Moore, Allen Hirsch, Irving Hird, LeRoy Broun Sr., Jack Stevenson, and the Misses Flora and Nancy McCune, and Mrs. Gladys Williamson, Mrs. Jean Manning, and Mrs. Spurrier, all of the township.

From out of town were Mrs. Robert Tucky of Kentfield, Mrs. Victor LaMonte of Kentwoodlands, Mrs. Potter Stevens of Ross, and Mrs. Frank Hultgren of Oakland. Mrs. Blake Hill and Mrs. Allen Norris poured.

Birthday Party For Kent Rees

A birthday party honoring little Kent Rees, son of Mr. and Mrs. Jack Rees of Centerville, was given by the little 3-year-old's mother at his home last Monday afternoon.

The traditional birthday cake and ice cream and favors, were followed by an afternoon of outdoor play by the very young set, while their mothers relaxed indoors over cups of coffee and birthday cake.

Those who came to wish the little boy a "happy birthday" were Don Buehler and his mother, Mrs. Lyle Buehler; Philip Buehler and his mother, Mrs. Merle Buehler; Mrs. Ralph Goodwin and daughter, Cynthia; Mrs. Dwight Thornburg and daughters Elaine and Nancy; and Mrs. Arthur Belshaw and son Bruce. Kent's brother, Jon, was also present.

RENOWNED DANCER TO BE AT SAN JOSE

The renowned Paul Draper, tap dancer, and Larry Adler, harmonica player, appear tonight in joint recital in the San Jose auditorium. Draper has the classics "on the tips of his toes," tapping out (on a special plyboard floor sent down from San Francisco Opera House), the rhythms of Bach, Brahms and modern novelties in sensational fashion. Larry Adler, featured in "Music for Millions" and other films, completely enchants audiences with his harmonica, while the two "go to town" in their ad lib duets.

Next Monday evening, March 17, the San Carlos Opera Company will show "La Traviata," (Camille), in the San Jose auditorium, with the same cast as sang in San Francisco last week,—Cravi, Civil, Ballarini, Venditti and Tatozzi. Cipollo will conduct the orchestra, and Lydia Arlova is prima ballerina of the ballet.

The outstanding musical event of the entire San Jose season is the coming of the Los Angeles Philharmonic Orchestra on Thursday evening, March 20. Alfred Wallenstein, the only American conductor of a major symphony, holds the baton. The program gives the Beethoven 8th, Brahms 2nd, and Bartok Concerto. There are 90 musicians.

"Anna Lucasta," with the new York cast, will have a performance in San Jose on Saturday night, March 29.

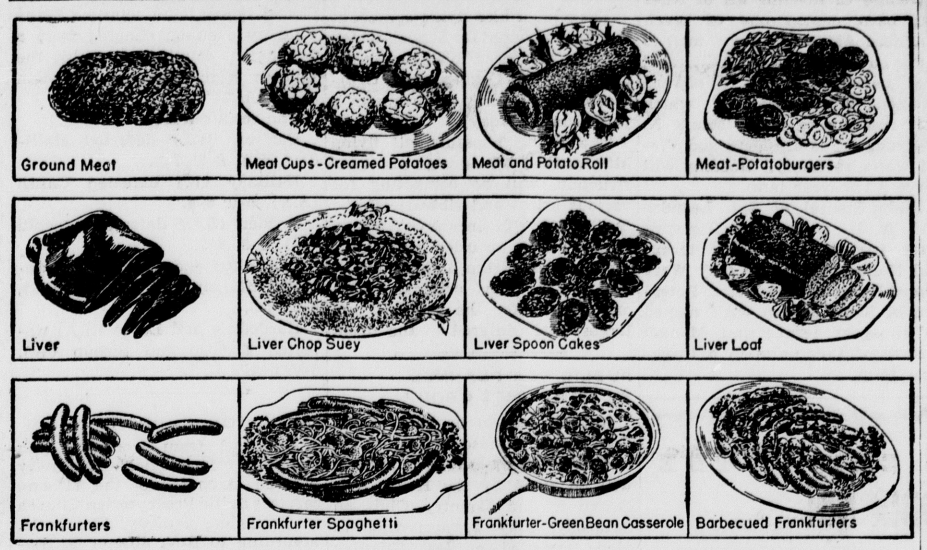
BUDGET HELPERS FOR THE HOUSEWIFE



Although more meat is available today, Mrs. Housewife can continue to make good use of the meats she relied on during the period of scarcity. There are a number of these which offer many opportunities for variety and at the same time are easy on the budget.

The meats pictured above are excellent examples. Most housewives include them in their family meals, but more often than not the ways in which they are served are very limited.

As a matter of fact there are almost endless possibilities for using these meats in preparing dishes that are different. A few suggestions are given here.

Meat Cups — Creamed Potatoes

Combine 1 pound ground beef, ¼ cup dry bread crumbs, ½ cup milk, 1 teaspoon salt and ⅛ teaspoon pepper. Line ungreased muffin pans with meat mixture to a thickness of ¼-inch. Fill with creamed potatoes and bake in a slow oven 45 minutes.

Meat and Potato Roll

Combine 1½ pounds ground meat, ½ cup cracker crumbs, 1 egg, ¾ cup milk and ⅛ teaspoon pepper. Spread on waxed paper to ½-inch thickness, making a rectangle about 6 x 10 inches. Spread with 2 cups mashed potatoes (use sweet potatoes if meat is pork). Roll like a jelly roll. Place in roasting pan and bake 1½ hours in a moderate oven.

Meat-Potatoburgers

Combine 1 pound hamburger, 2 cups coarsely grated unpeeled potato, ¼ cup grated onion, 1½ teaspoons salt and ¼ teaspoon pepper. Mix well. Shape into 8 patties and broil or panbroil slowly until done.

Liver Chop Suey

Cut 1 pound liver in 1" x ¼" strips. Cook in 4 tablespoons lard or drippings 5 minutes. Add 1 cup sliced celery, 1 cup sliced onions. Cook 5 minutes. Add 1 can Chinese vegetables and liquid and 4 teaspoons soy sauce. Simmer until meat is thoroughly cooked, about ½ hour. Season, thicken. Serve over hot rice.

Liver Spoon Cakes

Cook 1 pound sliced liver in 1 tablespoon drippings in frying-pan about 5 minutes. Grind liver; add 1 teaspoon salt, ⅛ teaspoon pepper, and 2 eggs, well beaten. Mix well. Drop by tablespoonfuls into hot shallow lard or drippings. Brown well on both sides.

Liver Loaf

Cook 1½ pounds sliced liver in 2 tablespoons drippings 5 minutes. Grind liver. Combine with 1 cup bread crumbs, ¼ cup milk, juice of ½ lemon, 2 tablespoons tomato catsup, ½ cup pork sausage, ⅛ teaspoon paprika, 1 small onion, finely chopped, 1 egg, beaten, 1 teaspoon salt, and ¼ teaspoon pepper. Mix well. Turn into a loaf pan lined with bacon. Place bacon strips on top. Bake in moderate oven, 1 hour.

Frankfurter Spaghetti

Slice 1 pound frankfurters in ½-inch pieces. Brown frankfurters and ⅓ cup diced onion in 1 tablespoon lard or drippings. Add 1 teaspoon salt, 1 teaspoon allspice, ⅛ teaspoon cloves, ⅛ teaspoon pepper, 1½ cups tomato juice and 3 cups cooked spaghetti. Simmer until thickened. Brown ½ pound whole frankfurters. Serve around spaghetti.

Frankfurter — Green Bean Casserole

Slice 1 pound frankfurters, ½-inch thick. Brown in 3 tablespoons drippings. Stir 5 tablespoons flour into drippings, add 2 cups milk and 1 teaspoon salt. Cook until thickened. Add 1 tablespoon Worcestershire sauce, ¼ cup grated cheese and 2 cups green beans. Combine with frankfurters. Bake in moderate oven 40 minutes.

Barbecued Frankfurters

Arrange 1½ pounds frankfurters in shallow pan. Pour Barbecue Sauce over them. Bake uncovered for 30 minutes in a moderate oven.

To make Barbecue Sauce: Brown 1 medium onion, chopped, in 2 tablespoons margarine or butter. Add 2 tablespoons vinegar, 2 tablespoons brown sugar, 4 tablespoons lemon juice, 1 cup catsup, 3 tablespoons Worcestershire sauce, ½ tablespoon prepared mustard, ½ cup water, ½ cup chopped celery, salt and red pepper. Simmer 30 minutes.

JUNIOR CHAMBER MEETS TUESDAY

Members of the Niles Junior Chamber of Commerce, meeting at the International Kitchen Tuesday evening, voted endorsement of the proposed lighting of the athletic stadium at Washington Union High School. The secretary was instructed to so inform the board of trustees of the school.

President Harry Cesari, who presided over the meeting, appointed a committee to work in the preparation of a float for the parade at Mission San Jose during the sesquicentennial celebration.

The members present also voted to accept the social program for the year as proposed by the directors calling for two barbecues and a dance.

THOUSANDS ATTEND BULB SHOW PREMIER

More than 7,000 visitors to the California Nursery Company's annual outdoor bulb show were registered during the first five days of the month-long spectacle, a survey of the guest book revealed yesterday.

The annual event, which attracts thousands of visitors each year to view the splendid nature show throughout the spacious nursery grounds, opened Saturday, March 8, and will continue through April 13.

The daffodils and flowering fruit trees were in full bloom last week but the tulips and iris and many other blooming varieties are expected to be in full bloom by the first of next week.

The exhibit features 300 "living acres" of flowers. Bus tours, music and refreshments have been arranged for week-end visitors.

No admission is charged for the nature show and ample parking facilities have been provided.

CHRISTIAN SCIENCE SERVICES

"God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work" (II Corinthians 9:8). This is the Golden Text for the Christian Science Lesson-Sermon for Sunday, March 16. The subject is "Substance."

Included in the sermon is this citation:

II Peter: "The day of the Lord will continue as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up" (3:10).

CONTESTANTS IN NATIONAL MEET

Alameda County is sending 26 youngsters and 83 animals to the first annual Grand National Junior Livestock Exposition which will be held in San Francisco's Cow Palace, March 29 to April 3.

Anthony L. Dutra and Frank Hermoso of Newark and Norman Rose Jr. and Clarence Chivers of Niles will represent Washington Township at the Exposition where they will enter their stock in the show.

They will join some 400 other Future Farmers of America and 4-H Club boys and girls for a six-day show of their fat beef cattle, sheep and hogs.

The junior's livestock will be classified under the Danish system of judging, which places them in the commercial grades used by packers and wholesale butchers in their everyday purchases of meat animals. Parallel premiums for Future Farmers and 4-H Club members will be awarded according to the grade in which their animals place.

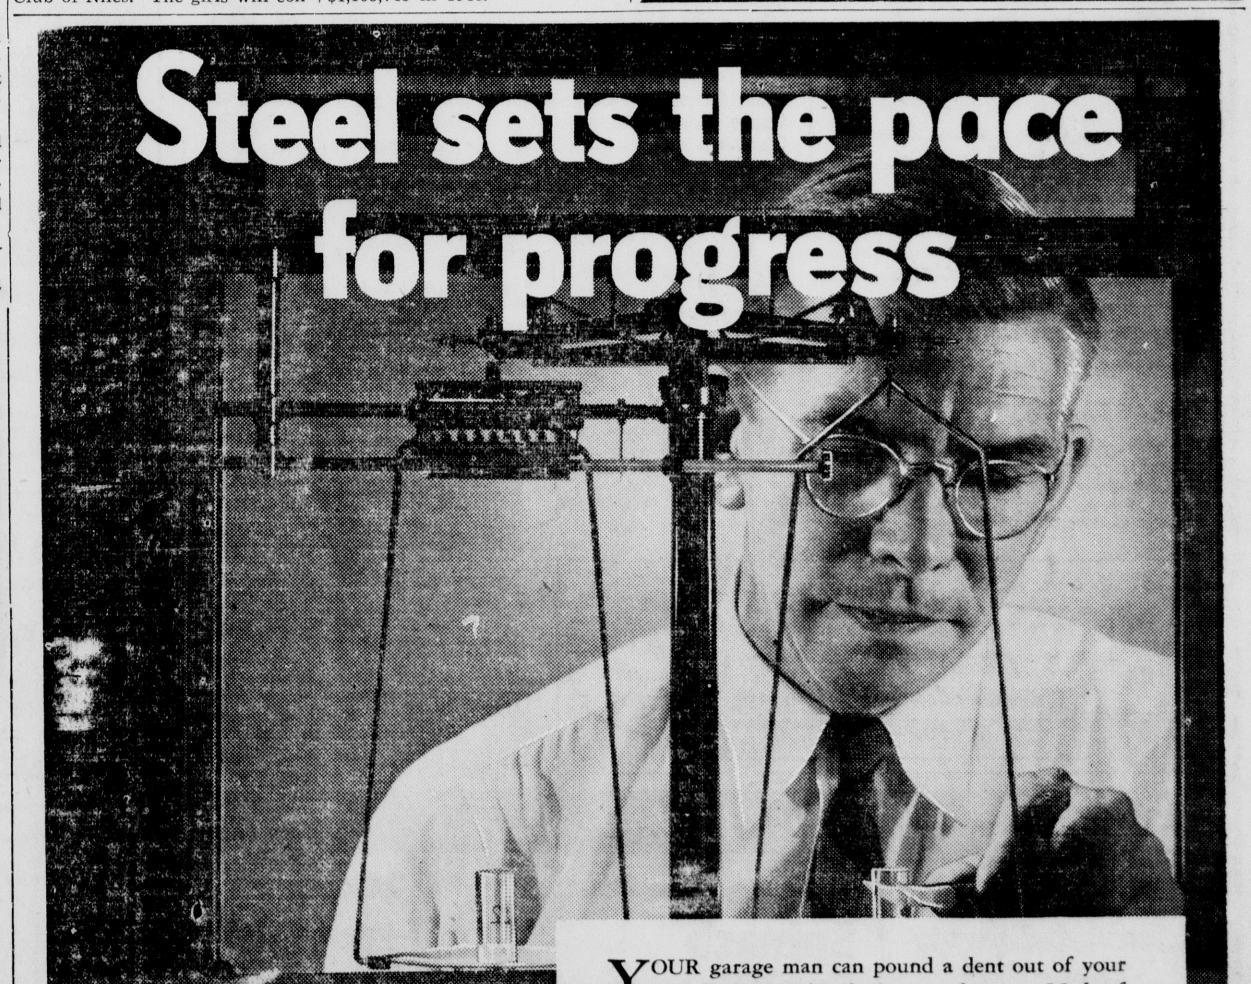
Steel sets the pace for progress



He's thinking up things to make life better for you

YOUR garage man can pound a dent out of your steel fender—and make it as good as new. Made of almost anything *except* steel, your fender would have a hole in it, or else you would have to buy a new one.

The gears of your car can now stand five times as much wear as the best gear steel of twenty years ago.

And so it goes for thousands of things you buy. Better and safer automobiles, better watches, better shovels, better refrigerators—all start with better steels that come out of the research laboratories of steel companies.

Henry Borghi On Varsity Rugby Team

The Borghi family turned out en masse to witness the rugby game between Stanford and U. C. at Palo Alto last Saturday. Mrs. Bessie Borghi's son, Henry, was one of the star performers, playing lock position, and did his share in bringing defeat to the sons of the Stanford Red. The score was 8 to 0.

While Frank Borghi went to the game in the company of two Centerville boys, Newell and Anocento Rocha, his mother motored over with her sister-in-law, Mrs. Mary Borghi of Santa Clara and her two daughters.

The Borghis are also planning to attend this Saturday's game in Berkeley when the Cal. varsity will face a Rugby team from British Columbia as their opponents.

The Alvarado Aerie of Eagles, No. 1695, has announced that they will sponsor a St. Patrick's Day dance at the Eagles' Hall in Alvarado on March 17.

Joe Martin is in charge of the steering committee and Seraphine Calderia is in charge of arrangements. Holland is chairman.

HOME ARTS PARTY ATTENDED BY 100

"Probably the most successful husbands' night we've ever had."

This seemed to be the concensus of those who attended the big pot-luck supper and party given last Saturday night at the Country Club house in Centerville by the members of the Home Arts group of the Country Club.

Close to 100 members and invited friends were present at the affair to share the fun.

The hit of the evening proved to be a skit by Marie Logan, Wilda Mette, Minerva Rees, Theo Overacker and Estelle Logan, entitled "The Dancing of Shoot McGrew," paraphrasing, of course, the famous "Shooting of Dan McGrew." Husbands of the members were the performers, and performed with such success that they brought down the house.

Irving Hird emceed the evening's program, which, in addition to the skit, provided a variety of entertainment. Dancing concluded the evening.

Youth in the Township

Youth in Washington Township is fast coming into its own and in the light of mounting juvenile delinquency in this area, one might add, "and it's about time, too."

Recent concessions to the needs and demands of youth, notably the lighting project on the high school grounds, making it possible for young people to have extra hours of good, clean relaxation, and the almost certain summer recreation for the Niles elementary children — sponsored by the Niles P.T.A. and endorsed by the Niles school trustees—indicate that adults in this area have at last recognized that youth MUST be served.

Given a girl or boy with time hanging heavy on his or her hands, and what do you have? Though the picture is not a pretty one, you have the makings of an A-number-1 delinquent.

You think not? You think your boy or girl would never come under the delinquent classification?

In that case, it may be that your smug complacency may prove to be your undoing. Other parents, before you, have been shocked by sudden revelations, showing that their youngsters, if not actually involved in petty crime, have become so closely related to it that the implications are unmistakable. To think that their son could have been so near the verge of being an actual criminal; to think that their daughter could have been so close to an out-and-out scandal!

Young people are more anxious to be good citizens than they are to be bad citizens. But they need direction and help.

The best help their elders can give them is to exert every effort to see that their leisure time is well spent.

For a parent to tell a bored, discontented boy or girl, "I don't care WHAT you do tonight, as long as you leave me alone and don't bother me" is a violation of a sacred trust and of the laws of human decency. But because there ARE parents such as the above in the world, the only hope and salvation of the young people is community-planned recreation by adults who are cognizant of youth's needs.

To the people of this kind—Boy Scout leaders, Girl Scout leaders, P.T.A. workers, and service organizations who work for youth welfare—we have only this cliche to offer: More power to you, and, when the going gets tough, remember this — if you have saved even ONE youngster from taking the wrong turn on life's highway, your long, conscientious and tireless efforts have been amply rewarded.

The Lewis Decision

The decision of the United States Supreme Court upholding the contempt charge against John L. Lewis and the miners' union should help to stabilize labor conditions.

Mr. Lewis is now virtually prohibited from calling a strike as long as the federal government is technically the miners' employer. Of course, he can go back to the lower court and argue the right of his union to break its contract with the government. But unless and until he gets a favorable decision on that point, which is very doubtful, he must keep the miners on the job.

The government's right to hold the mines is scheduled to expire on June 30.

The Supreme Court decision has done more, however, than merely help to stabilize the labor scene. It has shown John L. and some of the other union leaders who seem to hold themselves above the law that they are no different than other men. It has also reminded the miners that their primary loyalty is to their government rather than to their union.

Whether or not this legal setback will tend to make Mr. Lewis less aggressive and defiant in future labor dealings remains to be seen. But at least he now knows that he can't push Uncle Sam around and get away with it.

The fact that it cost him and the U.M.W. $710,000 to learn this lesson should make a lasting impression on him and his followers.

Thinking Things Over . . .

By VIVIAN BATMAN

I'm filled with shame and covered with blushes
To confess that I don't know who Mrs. Hush is.

Well, everybody else knows who Mrs. Hush is, or at least they say they do. To the uninitiated, let me explain that Mrs. Hush comes on the air every Saturday night. If you can tell by the clues, or by her voice, who she is, you are in line for the most staggering and fabulous collection of prizes that was probably ever awarded in America. There's everything from an airplane to maid service for a year.

What fun it was for some of the old-timers of the township to see pictures of themselves, taken many years ago, in last Sunday's Tribune. Some rather lively arguments ensued, however, over the identity of some of those pictured.

Niles Main Street is beginning to look like Automobile Row, with all the old jalopies parked with "For Sale" signs adorning their battered exteriors.

Nobody seems to know who the author is of the piece printed below, but, from my own experience, I'd say the fellow really knew whereof he spoketh—

CANST THOU BEAT IT?

Consider the editor! A child is born unto the wife of a merchant in the town. The physician getteth 10 plunks. The editor writeth a stick and a half and telleth the multitude that the child tippeth the beam at nine pounds. Yea, he lieth even as a centurion. And the proud father giveth him a Cremo.

Behold, the young one groweth up and graduateth. And the editor putteth in the paper a swell piece. Yea, a peach of a notice. He telleth of the wisdom of the young woman and of her exceeding comeliness. Like unto the roses of Sharon is she, and her gown is played up to beat the band. And the dressmaker getteth two score and four iron men. And the editor gets a note of thanks from the sweet girl graduate.

And the daughter goeth on a journey. And the editor throweth himself on the story of the farewell party. It runneth a column solid. And the fair one remembereth him from afar with a picture postal card that costeth six for a jitney.

Behold, she returneth, and the youth of the town fall down and worship. She picketh one and lo, she picketh a lemon. But the editor calleth him one of our promising young men and getteth away with it. And they send unto the editor a bid to the wedding, and behold the bids are fashioned in a far city.

Flowery and long is the wedding notice which the editor printeth. The minister getteth his bit.

The editor printeth a death notice, two columns of obituary, three lodge notices, a cubit of poetry and a card of thanks. And he forgetteth to read proof on the dead, and the darned thing cometh out "Gone to Her Last Roasting Place."

And all that are akin to the deceased jumpeth on the editor with exceeding great jumps. And they pulleth out their ads and canceleth their subs, and they swing the hammer even unto the third and fourth generations.

DR. SPAULDING TO ADDRESS FORUM

The third in a series of four lectures to be presented at the Washington Evening High School will be held Tuesday, March 18, at 7:45 in the auditorium.

Speaker of the evening will be Dr. Merrill T. Spaulding, associate professor of history at Stanford University and associate in the Hoover Research Foundation. Dr. Spaulding has chosen a timely and important topic, "Russia in Central Europe."

Judson E. Taylor, high school faculty member and forum director, will preside over the meeting and introduce the speaker.

These meetings are open to the public, with no admission charge, and Taylor expressed hope this week that a large attendance will be on hand to hear this discussion of Russia and her position in Europe.

The city of San Luis Obispo, county seat, was incorporated February 19, 1856.

The value of all honey and beeswax produced in California in 1946 reached the record figure of $4,526,000.

PROMENADERS HOSTS TO OAKLAND GROUP

One of the highlights of the social season took place at Irvington last Saturday evening when the Promenaders of that community were hosts to the Square Steppers of Oakland.

The semi-formal affair was in the St. Patrick's Day motif, with appropriate decorations both in the ballroom and the cafeteria, where refreshments were served following the dance.

Co-chairmen for the even were Mrs. Wayne Day and Mrs. Irene Robertson. Fifty-two members and guests attended.

TOTAL RAINFALL HERE BOOSTED BY SHOWERS

Washington Township received a thorough drenching which gladdened the hearts of the agriculturists the first of this week with the rain gauge at the Southern Pacific depot registering .70 inches on Monday and .04 inches Tuesday.

As rapidly as they appeared the storm clouds moved on, and the weather during the remainder of the week has been balmy with the thermometer soaring high into the 70's.

Total rainfall recorded here since July 1, 1946, was boosted to 9.92 inches by this week's precipitation.

FAREWELL DINNER FOR BALL PLAYERS

Two young Washington Township baseball players were given a farewell dinner last Thursday evening, March 6, prior to their departure to spring training camps where they will compete for professional assignments.

The two honor guests were Jesse Jacinto, Alvarado, who left Sunday for Los Angeles for training with the St. Louis Browns in the shortstop position, and Melvin Nunes, Centerville, who reported Friday for his fourth season with the Portland Beavers at Riverside.

The farewell party was given by Jesse Jacinto, father of the Alvarado player, at the Castro Villa Inn and was attended by 14 relatives and friends of the two boys.

DOROTHY COSTA IS NAMED QUEEN OF THE ROUNDUP

No spring festival would be successful without a beauty queen, and the Future Farmers of America boys of Washington Union High School could hardly hope for a more comely queen than has been selected to reign over their Roundup scheduled to take place at the athletic grounds of the school on Friday, March 21.

She is Miss Dorothy Costa, member of the senior class of the high school and the daughter of Mr. and Mrs. Joe Costa, Irvington. She comes in a small package, this Queen Dorothy, measuring a scant 5 feet and weighing 115 pounds, but what she lacks in size she makes up in charm and beauty. The brown hair, hazel eyed queen was named by the students of the high school at an election held Tuesday.

ATTENDANTS ARE NAMED

The three other candidates for the queen title, Bernadette Leal, Maxine Nova and Vivian Cuciz, will lend their charms to the occasion by serving as attendants to the queen.

According to Jed Oxborrow, vocational agricultural instructor at the high school and director of the Roundup, the queen and her attendants will be costumed in attractive cowgirl outfits in keeping with the motif of the event.

The coronation ceremonies will follow the parade scheduled to open promptly at 1 p.m. Alvin Silva, general chairman of the show, will crown Queen Dorothy. Ronald Silva has been named to serve as master of ceremonies at this all-day outdoor event.

HAYWARD GROUP HERE

In addition to the 32 Washington Township F.F.A. youths who will be competing for prizes in the many events, the chapter from Hayward has filed a group of entries for competition in the Roundup.

The boys were busy this week preparing corrals for the stock that is to be entered in the contests and cages for the fowls and rabbits.

Entrants in the mounted contests for the Washington group have been announced as Clarence Chivers, Salvadore Galvan, George Rose, Ernest Andrade, Louis Marchy, Frank Hermosa, Edward Estacio, John Coelho and Norman Rose. These boys will compete in relays, musical chairs, races and a greased pig chase.

FOOD SALE TO BE HELD SATURDAY, MARCH 22

Homemade delicacies of every description are promised those who attend the big food sale the Niles P.T.A. will give Saturday, March 22, at Meeker's Service Station opposite the Niles Theater.

Mrs. Harvey Granger, chairman of the food sale committee, expresses the hope that those who are asked to contribute food will arrive promptly at opening time (9 a.m.) with their pies, cakes, casserole dishes, or whatever else in the food line they choose to bring.

WILL HEAR HOSPITAL PLAN HERE MONDAY

A public meeting will be held at 8 p.m. Monday, March 17, at the Country Club House, Centerville, at which time W. P. Butler, business manager at San Jose Hospital, will present "a proposed hospital plan."

A goodly attendance is hoped for to express the need and desire of a hospital in this area.

GIRL SCOUTS TO UNITE WITH HAYWARD COUNCIL

The Girl Scouts of the township launched plans this week to make it possible for them to become a part of the Hayward Area Girl Scout Council, thus paving the way for a leaders' training course to be offered here, and eventually for additional troops to be started.

The Girl Scouts, who have $500 at their disposal from the Community Chest, are unable to obtain these funds until some sort of a township represented group has been formed to accept them.

ADVISORY BOARD

Girl Scout leaders, meeting this week, proposed a plan whereby a township advisory board would be formed for the Washington Township district, to become a part of the Hayward Area Council. It was decided that this area is not sufficiently populated nor has enough money at its disposal at the present time to start a council of its own. Thus the decision to become a part of the Hayward Area Council.

The Hayward Area Council is willing to accept this plan and would cooperate to the fullest in training leaders and in getting new troops started here. In return, around $200 of the local Community Chest fund for Girl Scouts would be allocated to the Hayward Area. The remainder would be distributed equally among the township troops.

MEETING ANNOUNCED

Representatives from every school district in the township have been invited to attend a meeting, Thursday, March 20, at 8 p.m. at the high school, to form the Washington Township District Girl Scout advisory board. The first duty of this new board, once it gets under way, will be to accept the $500, and to determine exactly what part of it would go to the Hayward Area Council.

Once it is made possible for prospective leaders to take a training course in the township, it is hoped that eventually there will be Girl Scout Troops in every town in the township.
